DICE: DISCOVER THE NEXT CHAPTERS EARLY!

To readers, free Dicescans! In this part of the announcement is about, readers found a link to a special testing which are, currently, chapters 123-4 we will try to get the rest, but it's not very straightforward. The way to get the preview (not a chapter or so), but we need a formal DICE to purchase every DICE, but the point's how and why help in that regard is unclear.

About the paywall chapters

I have enquired around and... they are impossible to scanlate.

To clarify: even people who pay to read the chapters in Korean are faced with impregnable measures in place to prevent one from extracting the pictures from the page as image files for edition. Right-clicking, page saving, nothing works. Taking screenshots, of course, causes loss of picture quality (unless you have a top resolution screen and use something called "composites"), besides being imprecise and a major pain to scroll down and do it manually (apparently, the site detects scripts that attempt to do it automatically).

So, it's impossible. No one can do it. Others have tried and failed. That must also be why the final chapters of Naver webtoons which are still behind the paywall were never scanlated.

I'm afraid we'll have to live with the public releases every week. Naver wins.

Back-up Drudger needed!!

Splicer here.

I'll go on a trip from April 12 to May 31. This means as many as seven chapters (we have considered some options and if they work out, it may be less than that, though).

Fortunately, I am much easier to replace than Jin or Fábio. I was going to write a long recruitment post saying what the Dicescans Drudger in Charge is supposed to do, but I decided against it. I'll discuss the issues with applicants.

So here, I'll just give a few general requirements:

- i. We need you to be available to clean the chapter on Saturday when it comes out.
- ii. We need you to be available one more day in the week to typeset it. Preferably, towards the end of the week.
- iii. We need you to have the following software: Photoshop, Adobe Bridge, PDFelement or a similar PDF optimiser and Image Magick (freeware). And of course, you need to know your way around all of them.
- iv. As the Drudger, I have also been proofreading Jin's scripts, so it would be great if you could to it too. Thus, we would prefer either native speakers or people highly proficient in English. This is not essential, though.
- v. You need to be patient, willing to put in extra effort to achieve perfection, determined to search around until you find a way to do something, and good at emulating someone else's typesetting (mine, in this case).

Interested? Then please contact me at splicer (dot) nil (at) gmail (dot) com.

(Don't worry, we can change Dongtae's picture for Hào in the credits if you are a girl.)

We have ten weeks for someone to apply and maybe receive some training (I won't train anyone from scratch, just give some tips). We don't have a prepared test, but I'll grill you with questions, so be prepared to spend a good hour or more on Gtalk if I think you are promising. People with experience in scanlation can send me samples of their previous typesetting (be sure to include things you are proud of). And I might ask you to typeset a chapter or part of it as a last trial.

Thanks for the attention, and sorry for the obtrusive message.

### Update on recruiting: typesetting test available

Since there isn't room enough for credits in this chapter, I'll keep running my plea for a typesetter replacement for me for the period between April 12 and June the 1st.

I've broken with 00concrete tradition and composed a typesetting test.

Here it is: <https://goo.gl/9d9Hvd> (I hope the shortened link isn't taken down.)

On the test to emulate my typesetting, bundle the files into a ZIP or RAR folder and send it to me (spicaun dot all at gmail dot com). Good luck!

The recruitment is over

... at least for now. Thanks to all who applied.

The new typesetter, Kaeon, has been introduced with the previous chapter. The new cleaner will make her debut with the next.

We got a handful of typesetting applicants, and a dozen or so cleaning applicants. We are really touched by the outpour of support, and won't forget your generosity. If we ever need help with editing again, instead of recruiting, we will contact past applicants first, just as we do with translators.

Again, our gratitude goes to all our readers.

UNIFORMS.

A woman with short dark hair, wearing glasses, a white collared shirt, and a blue cardigan, is standing behind a grey reception desk. She has a surprised or questioning expression on her face. The background is a simple, light-colored wall with some faint lines suggesting a room or hallway.

AH THAT'S  
RIGHT! WE'RE  
HIS FRIENDS!  
WHAT'S THE  
ROOM  
NUMBER...?

YEAH... FROM  
WHAT I'VE SEEN,  
HE'S VERY WARY  
OF OTHER  
A-RANKERS.

MAYBE IT'D BE  
BETTER TO WAIT  
IN FRONT OF  
THE ROOM.

**WAIT,  
DONGTAE.**

ANOTHER

BESIDES THE  
<TIME PAUSE>

A close-up of a character's face, showing a wide-eyed, shocked expression. The character has dark hair and a large, dark eye. A speech bubble is positioned to the left of the face.

WHAT?

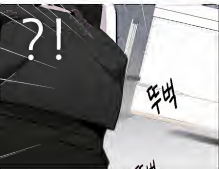

A scene showing two characters from the chest up, looking upwards with expressions of shock or surprise. The character on the left has red hair, and the character on the right has dark hair. A speech bubble is positioned above them. The background is dark and indistinct.

REALLY ARE  
FINE? I CAN'T  
BELIEVE THERE  
ARE NO  
INJURIES!

DID YOU  
REALLY GET  
SMASHED  
AGAINST THE  
WALL?

YES...

WELL, SINCE  
I'M A DICEE...

MY STAMINA AND  
RECOVERY RATE ARE  
HIGHER THAN THOSE  
OF AN ORDINARY  
HUMAN.

I HAVE NO  
IDEA WHAT KIND

WOULD LEAVE  
THE HALLWAY IN

... I'M SORRY.

IT'D BE NICE

IF THERE WERE NO

BE LYING HERE.

OH, AND IS THAT

YOUR JUSTIFICATION  
FOR HUNTING  
A-RANKERS?

... YES.

IT WAS A GOOD  
TURN OF EVENTS THAT I  
DISCOVERED ANOTHER  
<TIME PAUSE> USER  
TODAY.

SINCE IT MEANS I  
DON'T HAVE TO  
TARGET DONGTAE.

DON'T WORRY. THAT  
DOESN'T MEAN I'M  
GOING TO ENGAGE IN  
PVP RIGHT NOW.

I'LL END IT IN A  
PLACE THAT WON'T  
HARM INNOCENTS.

**NO

**DONGTAE

**NO.**

YOU HAVE

I CAN UNDERSTAND  
MAKING A BET WITH X

IS THAT EVEN  
POSSIBLE?

YES!  
DEFINITELY!

IF YOU  
AGREE AND WE  
FIND JUST ONE

MORE...

I'LL HAVE TO  
DECLINE YOUR  
OFFER TO TEAM  
UP AGAINST X.

I NEED MORE  
QUESTS FROM X,

AND I NEED  
MANY MORE  
QUESTS.

DICE.

... WHAT ARE YOU  
PLANNING TO DO  
WITH ALL THOSE  
DICE?

IT'S NONE  
OF YOUR  
BUSINESS.

I'M GOING

NEXT TIME  
WE MEET,

I'LL BE SURE  
TO THROW THE

WHETHER I  
CAN FIGHT YOU  
OR NOT, WE'LL  
SEE THEN.

BESIDES, YOU NEED  
MY <CLAIRVOYANCE>,  
DON'T YOU, EUNJU?

IT GO?

.....

I CAN'T GET  
A PROPER READ  
ON HIM.

I FEEL  
LIKE THERE'S  
SOMETHING  
ELSE...

ANYWAYS, LET'S  
KEEP INVESTIGATING.

ARE YOU NANI  
KUN'S GUARDIAN?

HER CONDITION  
WAS FINE UNTIL  
AFTERNOON, BUT  
THEN IT SUDDENLY  
GOT WORSE.

140%

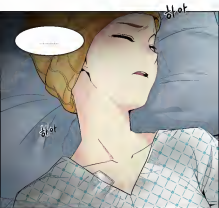

FOR NOW, WE'VE  
DONE OUR BEST TO  
LOWER THE FEVER. WE'LL  
CONTINUE TO MONITOR  
HER CONDITION  
CLOSELY.

YOU'LL GET

HELP YOU.
